Leaving a Legacy: Marguerite Lybbert

The WSF is excited to announce we have received a **\$100,000** estate gift from the late Marguerite Lybbert. This gift will establish the **M. Lybbert Endowment**, which will be used to fund workshops and seminars for teachers in lower elementary levels.

Mrs. Lybbert was a proud educator and taught for over **30 years** in the Waterloo Community School District. The Foundation is honored to continue her legacy and see the ripple effect of this investment across all 11 WCSD elementary schools.

Legacy giving allows you to support the work of the WSF and Waterloo Schools beyond what might be possible during your lifetime. If you'd like to learn more, please contact Hannah Luce at h.luce@wcsfoundation.org or 319-214-0134.
