**A community-wide fundraiser to support students across the Waterloo Community School District.**

## SUPPORT STUDENTS

## GIVE BACK TO THE COMMUNITY

Impact students and future leaders in your own backyard.

## MORE REACH

Get your restaurant in front of families, educators, & community members via our social media and exclusive email list, and receive ready-to-post graphics for your social media channels.

## HOW IT WORKS

1. Pledge to donate **10% of sales made on December 1**, which is Giving Tuesday, a nationally recognized day of giving.
2. Utilize the prepared materials for you to help **spread the word** and invite the community to dine out and support.
3. Join the Waterloo Schools community to **celebrate the success** throughout December.
