monthly newsletter

Share your thoughts!

Prior to COVID, the WSF hosted Lunch & Learn events to share the impact of **YOUR** generosity and **how students and staff were being impacted by your dollars.**

After a few years off, we are exploring bringing these events back to **showcase the impact of your support** and **keep our supporters informed.**

We would love for you to take a couple of minutes to provide some feedback below.

New Teacher Institute

Last month, Hannah presented to over 50 new Waterloo Schools teachers at the **New Teacher Institute!**

Over the past few years, we have had the privilege of attending and sharing how we can **support them as they enter the district this year.** Whether they are new to the field or new to the District, we're excited to see them make an impact on our students this year!

Happy Work-iversary

We're celebrating! **Today marks 5 years of Hannah leading the Foundation!** Passionate, dedicated, and genuine are just a few qualities she brings each and every day. Happy work-iversary, Hannah!

Thank You Sponsors

Last week, we paid a visit to some of our sponsors to thank them for their dedication to the Foundation and Waterloo Schools. A small appreciation gift to celebrate the **big impact** they have on students and educators each day.

A new school year with new opportunities.

A new school year means new opportunities to learn, explore, and grow. The Waterloo Schools Foundation helps make those opportunities possible.

Back to school season is already underway, and your gift directly supports Waterloo educators and students. **Donate today** and help give students the opportunities they need to thrive.
